

TEST 4: SERIAL DOTTING TEST

Time: :

Date: / /
Day Month Year

Birth date: / /

Time: (in seconds) (Please note the age norms!)A 10x10 grid of circles. A horizontal line is drawn between the second row and the third row, separating the top two rows from the bottom eight rows. The circles are arranged in a regular grid pattern, with 10 circles per row and 10 columns. The line is a thin, dark gray horizontal line that spans the width of the grid.
